## FIRE & ICE

The legendary FIRE & ICE FACIAL is designed to rapidly and safely resurface and rejuvenate the skin with little or no down time. This professional treatment helps reduce the appearance of fine lines and wrinkles and improves the look of uneven skin tone and blemish-prone skin, resulting in a more youthful complexion.

*"The FIRE & ICE FACIAL worked so well, my skin was glowing and I immediately knew why celebs fight to get an appointment before a red carpet event."*

Andrea Lavinthal  
Style and Beauty Director, People Magazine
